

Building Blocks #7

Protecting Your Investment

Your new home will always look and work great during its first years, the key to protecting your investment is proper and regular maintenance. We at Harwick Homes are here to service, repair and help you maintain your investment for as long as you own it. This service is also available to anyone purchasing your home. Providing this service ensures that the same people who built it are the same people who help you maintain it. Know one is more knowledgeable about the systems, construction methods, and products that make up your home than us. With that in mind we are happy to provide remodeling, service, and maintenance on all of our homes. We also offer painting of the interior and exterior of your home by highly qualified people who work only for us. Our top of the line service is part of our maintenance division. This service is designed to ensure our seasonal or full time residents can enjoy their home with as little trouble as possible. We offer our "Season Opener" and "Season Closer" service with the intent of over seeing all the maintenance needs of your home. Our services include pressure cleaning, window cleaning, home cleaning, exterior inspections, interior inspections, preventative maintenance, outdoor furniture placement, to all systems being serviced and checked before you arrive and after you leave, this service ensures your investment is being taken care of. What ever your needs we have proven our commitment to all of our past and present customers through one word, trust.
