

A HEARTFELT THANKS

Our hearts are warmed by the care and commitment of the real estate agents across Southwest Florida. Just this week, with the expert guidance of John R. Wood agent Ginger Lickley, a client fell in love with and purchased our newest spec home in Bonita Bay, Augusta. We are forever grateful for our relationships with our region's wonderful agents.

Marco Island's First Harwick

Designed by Kukk Architecture & Design, this 6,300 square foot private residence will be situated at the southern tip of the Island and offer truly picturesque waterfront views. If your client prefers the smooth beat of life on Marco, tell them Harwick is now on the Island.

SUMMER RENOVATION *the Harwick Way*

As your seasonal clients depart, remind them of the benefits of a summer renovation. It's the beauty without the dust—and just imagine the joy of their return. When you recommend your clients to Harwick, you're placing them in the most trusting of hands.
